White & Neutral

Shades which are Timeless

Presence of purity, innocence & softness come together to create the feelings of melancholic harmony in this colour showcase. The palette is nature's most soothing shades, reinterpreted for the bathroom environment.

Ultra White

Silky Off-white

Moon Ivory

Ultra White

Ultra white is inspired by the subtle gloss of a natural pearl. The white pigmentation makes the hues of the ceramic change with the light temperature. Choose Ultra White with bevel to elongate the lines and create a lasting impression.

Bright & Vivid

Shades which are Contemporary

A glorious exploration of how one affects the other. Molded, twisted, cuddled, dipped and dyed. the result is unpredictable, random, beautiful. This is a palette of nature's most exquisite shades, reinterpreted for the bathroom environment.

Jazz Red

Lush Lime

Trendy Taupe

Deep Teal

Jazz Red

Interesting on its own and a wonderful contrast for other Hues, Jazz Red serves as the foundation to the new Parryware palette. Sensual and bold, Jazz Red is a daringly inviting tone that nurtures. Sure to engulf your space with a magical aura of warmth and richness, much like the lively Sunrise.

A modern bathroom with a stone wall, a toilet, a sink, and a view of a forest with autumn trees. The room features a curved stone wall on the left, a white toilet, a white vanity with a round sink, and a large window or opening that looks out onto a forest with trees in autumn foliage. The floor is made of light-colored tiles.

Trendy Taupe

Trendy Taupe is a colour that adds warmth to the classic interior with its dignified, orderly look. The inspiration originates from the notion of a cosy, relaxed lifestyle in rural surroundings, put into the context of modern daily life. Go for it when you seek an ambience of which invites you to comfort, and leads you to a relaxed lifestyle
